**Re: Cellphone-Mate Inc.  
Permitted Oral *Ex Parte* Presentation  
WT Docket No. 10-4**

Dear Ms. Dortch:

On February 13, 2013, the undersigned spoke by telephone separately with Alex Hoehn-Saric, Policy Director for Commissioner Rosenworcel, and Becky Schwartz, Attorney-Advisor in the Wireless Telecommunications Bureau, Mobility Division. The discussion focused on the letter that this office filed on February 12, 2013 addressing the legal authority of the Commission to authorize the use of well-designed signal boosters without the express consent of wireless carriers. The discussion also touched on the need to enable consumers and small businesses to use signal boosters without potentially burdensome carrier approval requirements.

Please contact the undersigned if you have any questions.

Sincerely,

Bruce A. Olcott
